

## **11th Grade**

### **College or Training Program Visits/ACT/Work Experience**

Students will visit and explore Post Secondary training options and complete assessments required for entrance into those programs. Students will have a job, short term volunteer position, job shadowing, or internship for further career investigation and workplace skills.

**A. Complete at least one of the below assessments and file results in portfolio**

- a. Military Future - ASVAB
- b. Community or Technical School - Accuplacer
- c. Four Year College or University - ACT

**B. Five paragraph WiLATA reflection on a Post Secondary Tour of your choice**

- a. Would you be comfortable fitting in with students at this school?
- b. What types of programs were the most interesting and why?
- c. What are some of the reasons you would not want to go to this program?

**C. A completed Post Secondary Program Exploration Project overviewing one program**
