

We Need Substitute Teachers

NLCS, like a lot of schools, is experiencing a shortage of licensed substitute teachers. If you have a current MN Substitute Teacher license, or if you have a bachelor's degree and would be interested in getting a sub license, please fill out an application and contact me via email.

If you are interested in being a sub and have a bachelor's degree, we can work with you to get a short-term sub license with the state.

If you already have a sub license and would like to be on our list, we'd love to have you join us.

Please note: We are not part of the ISD #318 district. If you are on the sub list with 318, you are not on our list. We also do not use Frontline/AppliTrack. You have to contact me directly to get on our list.

Sub Pay is \$105/day and is not benefits eligible.

All employees must pass a background check upon offer of employment.

NLCS is an equal opportunity employer.

Thank you. Please email or call if you have any questions. Mike.Hamernick@nlcschool.org or (218)492-4400.

Sincerely,

Mike D. Hamernick
Director – Northern Lights Community School
